To

The President,

District Board,

District.

Sir,

I am desired to invite a kind reference to para 61 of G.O. No. 11180-250/Edn. 498-20-1 dated 25-5-1921 laying down the future educational policy in Mysore and Regulation No. II of 1921 empowering Boards to levy an education cess upto one anna in the Rupee ~~and to other remarks in para 5 of the Dewan's address to the last Dasara session of the L.C.~~

It will be seen from a perusal of the above G.O. that one of the most important resources relied on for working out the reforms is the levy of an education cess of one anna in the rupee on all items of revenue on which local cess is now levied. The Govt. has already devoted as much as 14% of the revenues of the State for education and in view of the ~~increasing~~ demands for high prices allowances it would hardly be possible even to make working out the reforms without the proceeds of the cess. It is already six months since the orders on the memorandum were issued and the L.B. Regn. ammended. Unless steps are taken regarding the levy of the cess during the next six months the ~~much-needed~~ programme of educational reforms would

17/28

would have to be further postponed even in the next year.

~~Though in the regulation as well as~~ in ~~the orders option is given to~~ each District Board ~~to levy or not~~ has the option to levy the cess or not ~~according~~ and to determine the rate thereof. ~~as it wishes~~ to introduce ~~the improvements~~ in ~~its area or not, it need hardly be pointed out that~~ any reluctance on the part of an individual Board to levy the cess would ~~xxxx~~ militate not only against the uniform development of education in the ~~various~~ several districts of the State but also affect the ~~numerous~~ measures which are taken for meeting the common ~~to the~~ requirements of all the Districts such as training of teachers, uniformity in courses &c.

But as the Board's decision will depend therefore upon that it would be desirable to undertake in the area within its jurisdiction.

In these circumstances I am desired to request you to place these important considerations before your Board and to take the needful steps well in time for the levy of the cess with effect from the next year.

I have &c.,

Dear Sir,

I am directed to invite your kind attention to this office letter No.2311-8/Edn.121-21-6 dated 20-12-1921 in regard to the measures to be taken for the levy of Education cess and to request you to kindly intimate what action has been taken in the matter.

I am to add that it is very necessary to take steps in time with a view to the receipts being made available to the Education Department from the next year at least so that the educational reforms may be initiated without further delay. Arrangements may kindly be made to discuss this subject at special meetings of the Taluk Boards immediately so that it may be considered at a very early meeting of the District Board.

I am also to suggest in this connection that in view of the possibility of any members of the Taluk Board not being fully apprised of the absolute necessity of the cess and of the far reaching benefits for which it is intended a circular may be kindly issued to the Presidents of Taluk Boards explaining how the expenditure on Primary Education has already exceeded the resources from State Funds, what a large programme of expansion and improvement of primary education in rural areas has been taken on hand, how it is impossible in view of financial stringency even to continue the present grants for education and how in most

(i)Bangalore:- The Board unanimously agree to the levy of one anna Education Cess on all items on which local cess is now collected.

(ii)Chennapatna:-One anna cess may be levied, if all restrictions as to the ryots' liability to contribute towards the pay of school masters, cost of buildings &c, be done away with and all facilities are afforded in rural parts as in towns.

(iii)Anekal:- One anna cess may be levied and atleast ¾ths of the realizations should be spent within the Taluk and Local Fund General and Mohatarfa grants should not b resumed by Government since a separate Education Ces is levied.

(iv)Dodballapur:- A cess at six pies per rupee may be levied and the control handed over to the Taluk Boards.

(v)Devanahalli:-The cess should not be levied as it would weigh heavily on the ryots(5 for levy and 7 against)

(vi)Nelamangala:- Cess at one anna may be levied.

(vii)Kanakanahalli:- A start may be made with six pies, as a cess a one anna would weigh heavily on the ryot.

(ix)Hoskote:- No cess should be levied, as the conditions in the Taluk are not favourable for the levy of additiona taxation.

(x)Magadi:- Cess at one anna may be levied provided the realizations are earmarked for Elementary Education and spent within the Taluk.

SUMMARY OF DISCUSSION. Stress was laid on two points, viz. (a) Read also letter No.2371-8/Edn.121-21-6 dated the 20th December 1921 from the Chief Secretary to Government anent the levy of an Education cess.

Resolution :- As 75 per cent of the Taluk Boards are not in favour of the levy of the cess, the District Board is unable under the circumstances to recommend it. Even if the Taluk Boards of Hunsur, Malavally and French Rocks (which have consented to the levy of the cess with certain limitation) are included with the other four Taluk Boards who are in favour of the levy of the cess, the percentage of those in favour is only 50 per cent.

To,

K. Matthan, Esquire, B.A.,
Chief Secretary to Government,
B a n g a l o r e.

Sir,

Adverting to the question of levying and Education cess by the District Board of Shimoga, I have the honour to state in continuation of my letter dated 3rd April 1922, that the subject was taken up by the District Board at the meeting held on the 29th June 1922. The opinions of the several Taluk Boards in the District received in the matter were considered.

2. Out of nine Taluk Boards in the District five were against the levy of the cess, three were in favour of the levy at half anna in the rupee and the opinion of one Taluk Board is inoperative as the members were evenly divided and the President had failed to record his casting vote. Since the preliminary condition that three fourths of the Taluk Boards should agree has failed, the Board have noted with regret that they consider it unnecessary to vote on the question.

2. A copy of the resolution of the District Board is herewith submitted for information.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
& P r e s i d e n t.

Proceedings of the fourth ordinary meeting of the Shimoga District Board held in the Town Hall, Shimoga at 1 P.M. on Thursday the 29th June 1922.

6. Opinion furnished by the several Taluk Boards regarding the levy of Education Cess.

RESOLUTION.

The Board note with regret that out of the nine Taluk Boards in the District as many as 5 are against the levy while three of them are for the levy at half anna in the rupee the opinion of the Taluk Board of Nagar being inoperative as the members were evenly divided while the president failed to record his casting vote. In view of the fact that the majorit are against the levy, the District Board do not consider it necessary to vote on the question as one of the preliminary conditions is that three-fourths of the Taluk Boards should agree and this condition has failed.
